WELCOME

The Organizing Committee of the 25th Anniversary of Asphalt Rubber Conference - RAR2025 – 14 to 16 October 2025 at LNEC in Lisbon-Portugal, invites you to participate in one of the most important international congresses in the world regarding ecological asphalt. The RAR2025 congress is very important for us, since today's society demands a change towards sustainability, to which the Asphalt sector cannot be alien.

Lisbon will be the ideal place to learn about all the advances in asphalt technologies with crumb rubber and the evolution of the sector. On the other hand, it is a perfect appointment to carry out a cultural and professional exchange with the best technicians and companies in the world.

PARTICIPANTS

- Engineers and technicians in paving and construction from the private sector
- Engineers and Technicians of national and international administrations
- Directors of national and departmental administrations
- Directors of construction companies
- Suppliers of paving and construction products and services
- Academics Engineering students
- Doctors of Engineering
- Political representatives
- Integral NFU Management Systems
